

7.3.1 PORTRAY THE PERFORMANCE OF THE INSTITUTION IN ONE AREA DISTINCTIVE TO ITS PRIORITY AND THRUST:

RESPONSE

“Knowledge is light” this line vitalizes the fact of life .Giving various types of knowledge to the students to develop them .To stand in their own leg, many certificate courses are conducted by the facilities.

VISION

To offer quality education, to enlighten and empower women, to lead a purposeful life filled with moral and spiritual values.

MISSION

To provide value based education for women from rural areas.

To develop women as intellectually mature, morally upright, socially responsible and spiritually inspired in career.

Based on its mission for poverty all variation and sustainable development, the one area that the college wants to focus which is distinctive to its vision, priority and thrust is the continuous implementation of the various Certificate programmes by every department to give knowledge to the student apart from our curriculum.

- Mathematics Department conducts Vedic Math and Abacus for escalating their mental ability.
- Computer Science and Computer Application Department instruct our students to be an experts in software MS-office and Coral Draw and Adobe-Photoshop.
- Commerce Department conducts Tally Course to build up future Accountant.
- Microbiology Department carries out Mushroom Cultivation to enhance their organic farming skills.

- Fashion Technology conducts a course in Fabric-Painting to create potential Designer.
- English Department conducts a certificate course in Mass Media and Newspaper Model for imbibing the knowledge of journalism.

Apart from the above programmes, Diploma in Gandian Thought, Yoga, Communicative English Certificate courses are conducted for the students. As these courses are spiritually and morally necessary for compassion, it is included along with the curriculum for the students. These courses are conducted to enhance the knowledge of the students. The knowledge in various courses makes their life comfort.

In today's circumstance these vocational courses will help them for their future life. Most of the women students here are coming from various remote villages. Hence these courses are very useful for them.

Moral values and spirituality are taught to the students by conducting prayer, yoga, N.S.S, Anti ragging and many other programmes. Most of our students are first graduate, so they face many challenges while entering into this modern society. That's why; Our College enables them to develop as intellectually mature, morally upright and socially responsible.

Institute provides holistic education to develop skills, knowledge, moral values and spirituality thought and well- structured curriculum. This Make student readily acceptable to the corporate world. In addition to that, our Institution also includes,

The academic vigilance committee headed by Department heads is to promote morality value among the students.

The students NSS wing is active in order to imbibe strong social values among our students. Under this wing, various health related check-up camps are arranged by the Institution.

Everyone dreamt of getting a government job. But in this competitive world, it is quite not easy to achieve this dream. The knowledge gained by these vocational training help them to begin a start-up. Even from home they can earn money to survive. If they promote themselves in this field, they can become a successful entrepreneur.

A journey of thousand miles begin with single step . Our college is not giving importance to vocational training alone .But also, It gives importance to curriculum, spiritual and discipline .Our college provide knowledge in all category. With this vision and mission in mind the ideal

objective of the college is to enable the flowering of the potential and to in calculate knowledge and skills for productive living. Thus, based on its mission for poverty alleviation and sustainable development .The one area that the college wants to focus which is distinctive to its vision, priority and thrust is the continuous implementation of the programmes.
