Various committees of the college:

The overall access of our college is in the hands of the body of Academic and Allied administration. As a rank of their successful administration the carrier out the work through various committees viz Administrator Committee, Academic

Committee, Finance Committee, Library Committee, Physical Education Committee, Anti-ragging committee, Placement Cell and blood donation cell etc.

Much importance was given to educate the women population mostly poor and ignorant of worldly knowledge with this aim we started to improve our small step on the sand, of time and no doubt our small step have grown into giant leaps over these years.

Solamalai pappathiammal Educational trust was established in the year 1993. It is a private, cherishable, Non-Profitable trust. The principal objective of the trust is to give value and need based education to women not only in the field of education but also energy step of their life in the world. The main aim of our management is to inculcate self reliance and value need based education to women.

Our Chairmen Dr. S.Solamail is a strict discipline and great academician when he was young his mind is haunted him to give quality education to the downtrodden people. Our correspondent Mrs. S. Kanagambal is an young pedegy dynamic administrator our smoothly Ambiga group of institution viz Ambiga College of Arts and Science for women, Solamalai teacher training institute for women, Ambiga Matriculation Higher Secondary School and Madurai Kamaraj University study center at Srilanka. The correspondent of Ambiga group of institution is our never failing and ever encouraging leader in our endeavours.

Director Dr. N.M.Ganesan retired Deputy Director, Distance education Madurai Kamaraj University, in his excellence as academician and administrator is guiding this group of institution who is relentless in his attempts to take forward our institution to dignified and distinguished place. A competent team of faculty members under the proficient leadership of the principal Dr. S.A.Razeeda is constantly striving to impart skills to the students.

With the co operation and the report of everyone in the teaching and learning process who achieved our goal. The students of Ambiga college produced 100% result in all the papers of the average rank of Ambiga College is 60% (that is first Class).

The Staff members are we explained and fully qualified. The staff members both teaching and non- teaching worked together as a well net group with full

devotion and dedication. The staff (teaching) members differentiated the students as advanced learners and now learners as university rank holders and slow learners come out with flying colours after the completion of their education.

We go on introducing new courses every year. Many of our students have presented paper and participated in intercollegiate seminars conducted several colleges. We don't confine our students like caged birds, but gave practical knowledge and impact field experience.

Our N.S.S programme officers have shouldered the responsibility of N.S.S Units have extended their service by attending one day as well as one week camp during the academic year. Further the volunteers have taken part road safety week and River vaigai cleaning.

Our college students conducted awareness programme by cycle rally about rain water saving and girl child protection. They also visit orphanage and help the people aboard in them. With the help of the management. They gave bed spreads, dotties, sarees, pillows to the homeless people. Also the celebrated their birthday in the orphanage and distributed food and cakes to the poor people. Also they visit rural areas and create of themselves and their recordings.

The cultural club their students in dramatics, singing, dancing, fashion parade, speech competition, essay writing etc. our students get prizes/ cash awards/shields in the intercollegiate cultural competition and state level drawing and essay writing competition held at Madurai district collectorate/ corporate. Associate professor and HOD & Tamil Department Miss.G.Muthurama made all the arrangements.

The management of our college has decided to give best student award every year to our students will be selected as the best and awarded metal, cash award and certificate on the basis marks obtained in the university examinations and attendance. Every year we have given best class award best profession award. A committee has been appointed to evaluate the performance of the selected students and HOD. The result will be announced during the annual day.

We are happy to announce that our management has graciously given fee concession to the old student of our college who seek admission to the P.G.

courses. With their magnanimous and broad minded nature, the management given free education, fee concession to the poor students and parents.

Every year we appointed government scholarship for SC/ST and Minority students. The college functions in a five storied building, with big car parking area. All the class rooms are fully equipped well aerated and big. The laboratories are air conditioned (computer and Micro biology), big play ground with lot of games and sports items, library with updated books for the benefit of the students.

I am not exaggerated if point out that our college was even today is one the best colleges which work day and night to promote the status of women not only in the field of education but in all walks of life in the society.

Our Director, Chairman and correspondent have sacrificed their time and wealth in espousing the course of uplifting in the society.

Even now, I assure that they are ready to devote their whole time and energy to work for the welfare of women in general and in the field of education in particulars. From their I conclude my words about the college in beautifully located and is well connected to other parts of the city by transports government, private, Minibuses and autos).

Results:

Every year out students secured 100% result in most of the papers already I started not only 100% result but also obtained out in the university examination (75 out of 75). Most of the departments of Tamil (General Tamil), English (General English), Computer Science, Commerce, Commerce with CA and Microbiology produced rank holders. Every year our college Microbiology department produced rank holders without fail. The staff members received cash award for produced 100% result in handling their respective subjects.

Exhibition:

Every year our college students conducted Exhibition for public and our other institution students. This will create awareness in most discipliners to the spectator.
